

Kids & Kites

SATURDAY NOVEMBER 9, 2013

Help us celebrate the grand reopening of Horseshoe Lake at Mojave Narrows Regional Park. We welcome all of our past, current and future friends as we kick off a new beginning. Joining us for the day, we have invited the **High Desert Farmers Market** to provide delicious produce and a wide range of quality vendors. Also, the **American Kitefliers Association** will be on hand to remind us of the joy of kite flying through fun games and exciting activities. However, if you just want to fly your kite that's ok too, we have plenty of room. If you don't have a kite, no worries you can purchase one from our on-site vendor. Also, be sure to check out the Professional Kite Demonstrations. **All ages welcome!**
